

Multivitamins & Minerals

PASSIONFRUIT FLAVOUR
EFFERVESCENT TABLETS

A comprehensive multivitamin and mineral formulation to support general health and wellbeing and supplement your diet.

Potential Claims*

- Provides 14 essential nutrients to support general health and wellbeing
- Supports a healthy response to stress in the body
- Boosts energy production
- Reduce Free Radicals Formed in the Body
- Supports Red Blood Cell Health

Effervescent Tablets Features & Benefits

- Wide range of natural flavours & colours with your preferred sweeteners
- Effervescent tablets produce a nice fizzy flavour and are pleasant to drink often resulting in compliance or repeat usage
- A great dosage form for people who find oral tablets difficult to swallow (dysphagia)
- Popular with kids, adults and seniors
- Effervescent tablets have already started dissolving by the time they reach your stomach, meaning they can be absorbed efficiently and are gentle on the stomach
- High dose of Active Ingredients is possible due to large tablet sizes

Excipients

Citric acid, sodium hydrogen carbonate, macrogol 4000, beetroot powder, betacarotene, passionfruit flavour, sucralose.
