

Vitamin B Complex + Vitamin C + Minerals

ORANGE FLAVOUR
EFFERVESCENT TABLETS

Taken daily this formulation of 12 essential vitamins and minerals helps release energy from your food, reduces tiredness and supports physical and mental stamina.

Potential Claims*

- Boosts energy production
- Helps reduce tiredness
- Provides 12 essential nutrients to support general health and wellbeing
- Supports a healthy response to stress in the body
- Helps support immunity and provides antioxidants

Effervescent Tablets Features & Benefits

- Wide range of natural flavours & colours with your preferred sweeteners
- Effervescent tablets produce a nice fizzy flavour and are pleasant to drink often resulting in compliance or repeat usage
- A great dosage form for people who find oral tablets difficult to swallow (dysphagia)
- Popular with kids, adults and seniors
- Effervescent tablets have already started dissolving by the time they reach your stomach, meaning they can be absorbed efficiently and are gentle on the stomach
- High dose of Active Ingredients is possible due to large tablet sizes
